Section 2 – Membership Categories

Please identify the membership category that best suits you.

Member: An individual who works in the field of pest management, either as a technician or support staff. Note: it is envisaged that there will be in the future several levels of this category, based on training, competence and experience.

Trainee: An individual who is currently training to receive a licence or other form of recognition to work as a fully-fledged pest management technician. This category is open for a maximum of three years and may, on application, be extended to support staff.

Associate: The Associate member category is open to individuals who are employed, or are otherwise active, in the field of pest management supply such as chemical sales and manufacture, marketing, insurance, business services, management in businesses with over 10 technicians, media and the like. The Associate Member will have slightly reduced access to some of the activities available to Members as it is crucial that the broad membership can communicate free of corporate influence.

Honorary: The Honorary Member category is provided to gain the contributions of eminent and retired persons. Honorary Members may be either Honorary Associate Members or Honorary Members. They are not charged any membership fee but are expected to contribute in kind to TIPRM. Examples of those open to this category include research scientists, regulators, retired persons who have made significant contributions and those who through voluntary contribution contribute to Codes, Standards and other industry documents. Honorary membership is most commonly by invitation.

Section 3 – Payment

Payment may be made as soon as TIPRM have advised you of the appropriate fee to be paid.

PLEASE DO NOT MAKE ANY PAYMENT UNTIL ADVISED

Currently the annual fees are as follows:

Membership is currently set at A\$150, US\$112, €102, FJD130, RM125, SGD\$100.

For Trainees, a discount of 40% applies to reduce the fee to: A\$90, US\$67, €61, FJD, 80, RM\$75, SGD\$60 .

For other countries where a technician's pay may be less, the fee, by agreement, can be calculated as the similar proportion of a licensed technician's annual pay (around 0.375%). Please ask.

Direct Deposit is the preferred payment method, but we do have options.

I apply to join the TIPRM. I agree to:

- work towards the goals of TIPRM in accordance with the published policies of TIPRM;
- act courteously and professionally;
- not do anything that would bring TIPRM into disrepute;
- display and make use of the TIPRM logos and name only as permitted, including ceasing to use them immediately in the event of a notice of withdrawal of permission to so use;
- not make unapproved statements on behalf of TIPRM;
- respect the contributions of others including the right to privacy and confidentiality for member-to-member contributions and discussions; and
- ensure that any fees are promptly paid.
